A diagram of a square frame with a spiral path. The path starts at a black dot in the top-left corner, moves right, then down, then left, and then up, forming a series of nested squares. The path ends at a black dot in the bottom-right corner. The spiral path is composed of several segments of varying lengths, creating a series of nested squares. The two black dots are located at the top-left and bottom-right corners of the square frame.

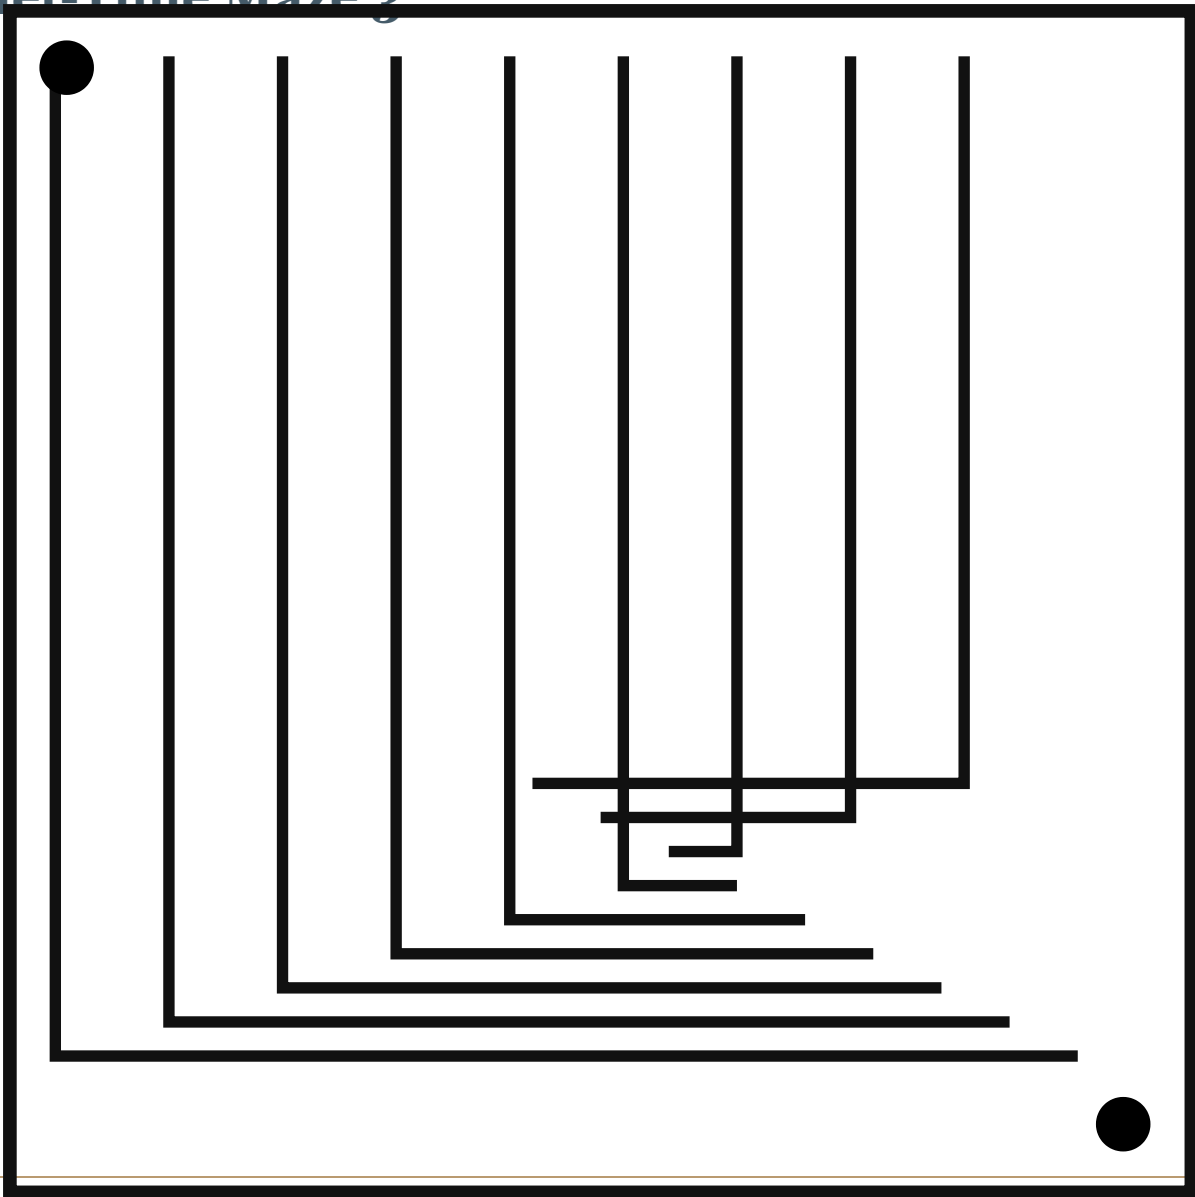

Find a path from the top-left dot to the bottom-right dot.

Quiet-Time Maze 2

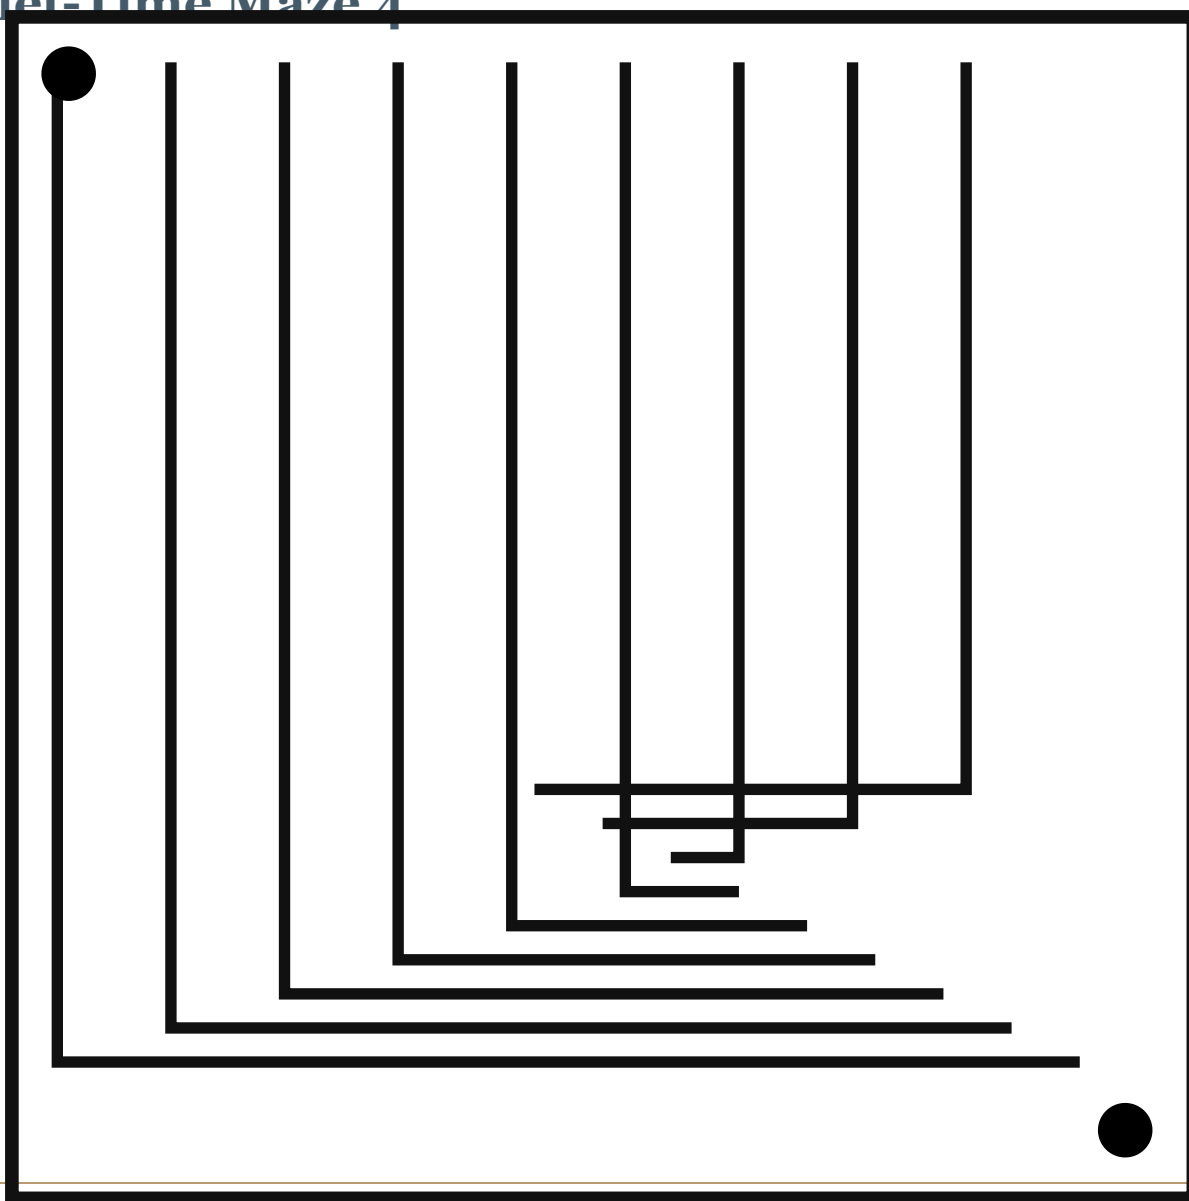

Find a path from the top-left dot to the bottom-right dot.
